ACCOUNTING PROCEDURE

TOPIC: Section 12--Travel 1.2	EFFECTIVE DATE: 8/2/83
TITLE: Maximum Reimbursement for Lodging in High Cost Out-of State Cities	REVISION DATE: 1/26/04
AUTHORIZED BY: Cheryl Thompson, Deputy Director	PAGE 1 OF 22

BACKGROUND

The attached Office of State Employment Relations (OSER) Bulletin provides effective dates and maximum rates for lodging reimbursement in high cost (out-of-state) cities. OSER Bulletins on this subject are issued annually to provide information for use by state agencies. Please "NOTE" the use of the system for determining lodging rates and how they apply to all locations within the boundaries of any county(ies) specified.

In accordance with Bureau of Personnel and Employment Relations procedures, information from the attached OSER bulletin will not be included in any revision to the *DHFS Supervisor's Manual*. The OSER Bulletin is incorporated into the *Accounting Policy and Procedures Manual* as current reference for all supervisors.

PROCEDURE

Use the maximum rates and effective dates in the attached bulletin for approving reimbursement claims submitted by employees in accordance with procedures set forth in Chapter 228 of the *DHFS Supervisor's Manual* and **Section 12--Travel 1.1** (Exceptions to Lodging Cost Limitations).

Based upon the 2003-2005 compensation plan, these maximum lodging rates are effective January 1, 2004 for both non-represented and represented employees. Please note that the maximum amount shown excludes sales and lodging taxes.

See **Section 12--Travel 1.0** (Travel and Lodging Provisions) for lodging maximums in the State of Wisconsin and those cities not listed in the high cost city lodging maximum bulletin.

OFFICE OF STATE EMPLOYMENT RELATIONS

- COMPENSATION & LABOR RELATIONS BULLETIN -

Date: January 14, 2004

Locator No: OSER-0009-
CLR/TSA

Subject: Maximum Reimbursement for Lodging in High-Cost Out-of-State Cities - Effective January 1, 2004

The approved Travel Schedule Amounts for all nonrepresented employees and some represented employees include provisions to establish lodging rates in excess of \$62 per night for certain out-of-state cities. This bulletin is an update and replacement of the information contained in CC/TSA-23, dated December 16, 2002, which is obsolete as of January 1, 2004 and can be discarded. The attached listing of maximum permitted amounts for lodging in out-of-state cities is **effective January 1, 2004**.

The amounts listed represent single-occupancy rates, without reflecting discounts. Lodging rates are for single-night stays in standard rooms and **exclude** all applicable sales and lodging taxes. Employees should attempt to receive government discounts (of course, for government business only). These amounts should not be exceeded except under the most unusual or unavoidable circumstances, which must be fully justified and approved by the agency head or designated representative. (Refer to Section F., 5.00 of the 2003-2005 Compensation Plan.) However, when the lodging rate is exceeded due to taxes, the taxes shall be reimbursed without additional justification. This exclusion does not apply to international rates.

The maximum reimbursement amounts listed will be reviewed at least annually to determine whether they are adequate. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to OSER, requests for review of specific rates. Publication of the next update of this bulletin is anticipated in December 2004.
